EBIT**		89,134.766	185,141,963	296,304,998

*CAGR: compounded annual growth rate

**EBIT: earnings before interest and taxes

MILESTONES

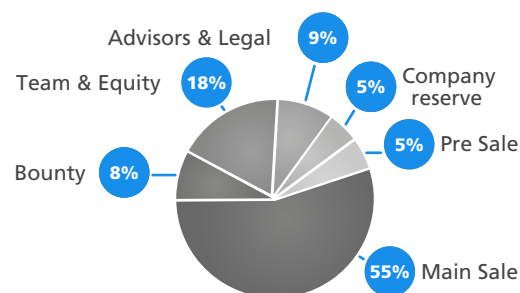

UnitedCrowd TOKEN

We create a utility token (UCTx) and will not offer short-term returns in the form of interests or dividends. Instead we buy back UCTx monthly and lock these tokens. Also, UCTx guarantees lifelong membership in our community, which profits from exclusive pre-emptive rights on our portfolio crowdsales, has voting rights and is actively involved in tokenization.
